Subject: Surplus property

Hi Tom,

Russ Robinson is planning an auction of surplus property sometime in December. I would like to include the old 108 (Dean may have already declared this vehicle as surplus) and our old red trailer (1989 Andrews utility trailer VIN 46RFA1627KM002492). Could you ask Steve Ledoux about these items and have it included on an upcoming agenda for the BOS?

Thank you,

Shawn

Christine,
Could you include
this request on the 11/22
BOS agenda.
Thanks Tom
